**YOU ARE RECEIVING THIS NOTICE BECAUSE YOU
OR ONE OF YOUR AFFILIATES IS A COUNTERPARTY TO AN
EXECUTORY CONTRACT OR UNEXPIRED LEASE WITH ONE OR MORE
OF THE DEBTORS AS SET FORTH ON EXHIBIT A ATTACHED HERETO.**

PLEASE TAKE NOTICE that on June 22, 2023, the United States Bankruptcy Court for the Southern District of Texas (the “Court”) entered the *Order (I) Approving Bid Procedures for the Sale of the Debtors’ Assets, (II) Approving Bid Protections, (III) Scheduling Certain Dates with Respect Thereto, (IV) Approving the Form and Manner of Notice Thereof, and (V) Approving Contract Assumption and Assignment Procedures* [Docket No. 701] (the “Bid Procedures Order”),² authorizing the Debtors to conduct an auction (the “Auction”) to select a party or parties to purchase some or all of the Debtors’ assets (the “Assets”). The Auction will be governed by the bidding procedures (attached to the Bid Procedures Order as Exhibit 1 (the “Bid Procedures”)).

PLEASE TAKE FURTHER NOTICE that, pursuant to the Bid Procedures and the terms of any Successful Bid, the Debtors may assume and assign to the Successful Bidder certain of the Potential Assumed/Assigned Contracts listed on the Cure Schedule, attached hereto as Exhibit A, to which you are a counterparty, upon approval of the Sale. The Cure Schedule can also be viewed on the Debtors’ case website (www.kccllc.net/mountainexpressoil). The Debtors have conducted a review of their books and records and have determined that the cure amount for unpaid monetary obligations under such Potential Assumed/Assigned Contracts is as set forth on Exhibit A attached hereto (the “Cure Amounts”).

¹ A complete list of each of the Debtors in these Chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at www.kccllc.net/mountainexpressoil. The location of Debtor Mountain Express Oil Company’s principal place of business and the Debtors’ service address in these Chapter 11 cases is 3650 Mansell Road, Suite 250, Alpharetta, GA 30022.

² All capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the Bid Procedures Order or the Bid Procedures, as applicable.

PLEASE TAKE FURTHER NOTICE that if you disagree or otherwise have any objections to a proposed Cure Amount (a “Cure Objection”) and/or any other objection to the assumption and assignment or transfer of any of the Potential Assumed/Assigned Contracts (an “Assignment Objection”), your objection must: (i) be in writing; (ii) comply with the applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any order governing the administration of these chapter 11 cases; (iii) state with specificity the nature of the objection and, if the objection pertains to the proposed Cure Amounts, state the correct cure amount alleged to be owed to the objecting Contract Counterparty, together with any applicable and appropriate documentation in support thereof; and (iv) be filed with the Court **no later than July 12, 2023, at 4:00 p.m. (prevailing Central Time)** (the “Cure/Assignment Objection Deadline”), and if you object to the ability of the Successful Bidder and/or Backup Bidder to provide adequate assurance of future performance with respect to any Potential Assumed/Assigned Contract (an “Adequate Assurance Objection” and, together with Cure Objections and Assignment Objections, “Contract Objections”), be filed with the Court **no later than August 3, 2023 at 4:00 p.m. (prevailing Central time)** (the “Adequate Assurance Objection Deadline”), in each case, by the following parties: (a) the Debtors’ counsel, Pachulski Stang Ziehl & Jones LLP, 10100 Santa Monica Boulevard, 13th Floor, Los Angeles, California 90067, Attn.: Jeffrey Pomerantz (jpomerantz@pszjlaw.com) and Jeffrey Dulberg (jdulberg@pszjlaw.com); and (b) the United States Trustee for the Southern District of Texas, 515 Rusk Street, Suite 3516, Houston, Texas 77002, Attn.: Jayson B. Ruff (jayson.b.ruff@usdoj.gov).

PLEASE TAKE FURTHER NOTICE that if no Contract Objection is filed by the Cure/Assignment Objection Deadline or Adequate Assurance Objection Deadline, as applicable, then (i) you will be deemed to have stipulated that the Cure Amounts as determined by the Debtors are correct, (ii) you will be forever barred, estopped, and enjoined from asserting any additional cure amount under the Potential Assumed/Assigned Contract, and (iii) you will be forever barred, estopped, and enjoined from objecting to such proposed assignment or transfer to the Successful Bidder on any grounds whatsoever, including the grounds that the Successful Bidder has not provided adequate assurance of future performance as of the closing date of the Sale.

PLEASE TAKE FURTHER NOTICE that any Cure Objection in connection with the Successful Bid that otherwise complies with these procedures yet remains unresolved as of the commencement of the Sale Hearing, shall be heard at a later date to be fixed by the Court.

PLEASE THAT FURTHER NOTICE that, notwithstanding anything herein, the mere listing of any Potential Assumed/Assigned Contract on the Cure Notice does not require or guarantee that such Potential Assumed/Assigned Contract will be assumed by the Debtors at any time or assumed and assigned or transferred, and all rights of the Debtors and the Successful Bidder with respect to such Potential Assumed/Assigned Contract are reserved. Moreover, the Debtors explicitly reserve their rights, in their reasonable discretion, to seek to reject or assume each Potential Assumed/Assigned Contract pursuant to section 365(a) of the Bankruptcy Code and in accordance with the procedures allowing the Debtors and/or the Successful Bidder, as applicable, to designate any Potential Assumed/Assigned Contract as either rejected or assumed on a post-closing basis.

PLEASE TAKE FURTHER NOTICE that, nothing herein (i) alters in any way the prepetition nature of the Potential Assumed/Assigned Contracts or the validity, priority, or amount of any claims of a counterparty to any Potential Assumed/Assigned Contract against the Debtors that may arise under such Potential Assumed/Assigned Contract, (ii) creates a postpetition contract or agreement, or (iii) elevates to administrative expense priority any claims of a counterparty to any Potential Assumed/Assigned Contract against the Debtors that may arise under such Potential Assumed/Assigned Contract.
